	1	D2749.EN .01	Z5460 Mounting instructions

Weight .....5.8 kg (12.8 lb)

## 1.2 Safety precautions

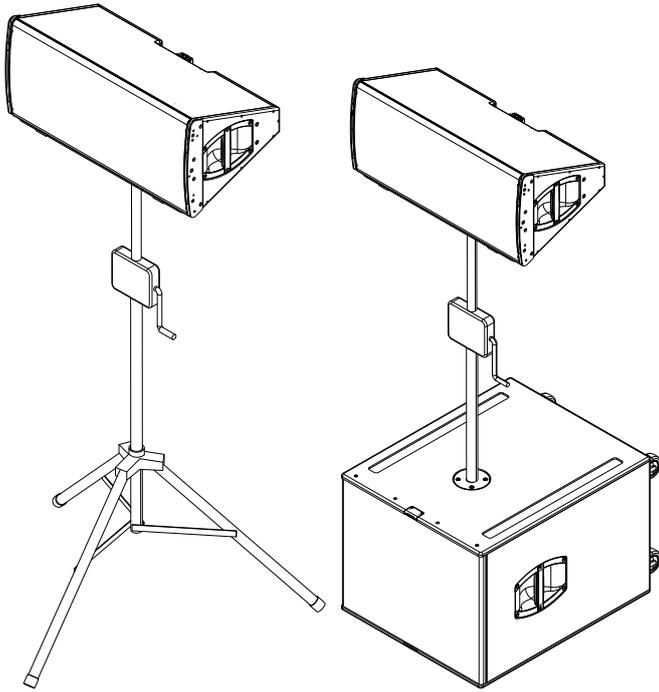

### General safety

- Installation and setup should only be carried out by qualified and authorized personnel observing the valid national Rules for the Prevention of Accidents (RPA).
- It is the responsibility of the person installing the assembly to ensure that the suspension/fixing points are suitable for the intended use.
- Always carry out a visual and functional inspection of the items before use. In case there is any doubt as to the proper functioning and safety of the items, these must be withdrawn from use immediately.

### Load safety information

#### NOTICE!

The Z5460 AL Stand adapter is designed to carry the weight of a single AL60/ AL90 or ALi60/ALi90 cabinet mounted on the Z5458 AL Base plate.

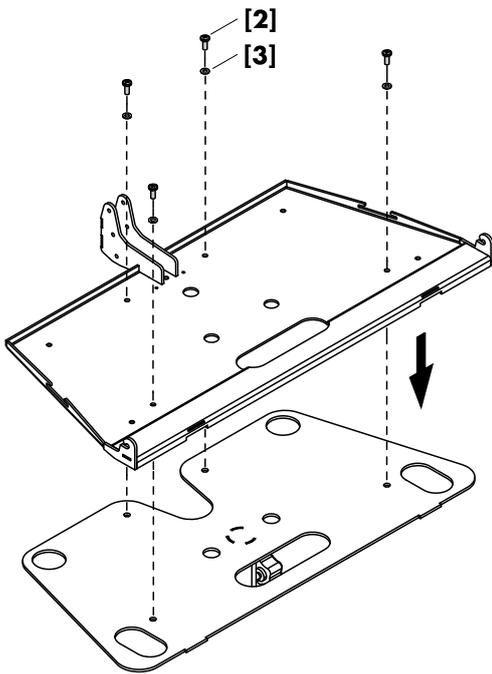

### 1.3 Intended use

The AL Stand adapter is intended to deploy a single A-Series loudspeaker on a standard loudspeaker high stand using the Z5458 AL Base plate, as shown in the graphic opposite. Applicable loudspeaker high stands are the d&b Z5009 Loudspeaker stand with winder and the d&b Z5013 Loudspeaker stand with winder M20.

For low frequency extension, we recommend you to use the single A-Series loudspeaker driven in CUT mode with one of the following subwoofers:

- V-SUB
- V-GSUB
- Y-SUB
- B6-SUB

### 1.4 Assembly

#### Tools required:

- Philips screwdriver #PH2.

To attach the base plate to the stand adapter, proceed as follows:

1. Place the stand adapter on a suitable surface.
2. Attach the base plate onto the stand adapter, using the plastic washers [3] and screws M6 x 16 [2], as shown in the graphic opposite.

#### Attaching the cabinet to the base plate

For this purpose, please refer to the Z5458 Rigging manual which is provided with the Base plate.

### **2.1 EU conformity (CE symbol)**

This declaration applies to:

#### **d&b Z5460 AL Stand adapter**

manufactured by d&b audiotechnik GmbH & Co. KG.

All product variants are included, provided they correspond to the original technical version and have not been subject to any later design or electromechanical modifications.

We herewith declare that said products are in conformity with the provisions of the respective EC directives including all applicable amendments.

A detailed declaration is available on request and can be ordered from d&b or downloaded from the d&b website at [www.dbaudio.com](http://www.dbaudio.com).

### **2.2 Disposal**

When out of use the rigging components must be disposed of in accordance with the national environmental regulations.

Ensure that damaged rigging components are disposed of in a way that they cannot be used again.
